In addition to electricity, grid operators need power plants that can provide services such as frequency regulation and voltage support, which are essential to maintain a safe and reliable electrical system. Because energy storage can release power on demand, adding BESS in strategic locations makes the grid stronger and more resilient.

The minimum age requirement to drive all vehicles is 23. There is no maximum rental age. A young driver fee of 12.40 EUR plus airport surcharges per day applies for all renters between the age of 21 and 22 wishing to rent the categories Compact, Intermediate, Standard, Full Size, Premium, and Luxury, excluding commercial vans.
