

Berlin energy storage industrial park address

What is the Berlin Innovation Center?

With innovation centers nestled in the dynamic hearts of Berlin, Abu Dhabi, Orlando, and Shenzhen, we're not just witnessing the energy landscape evolve, but we're reshaping it to be better. Understanding that a sustainable future requires reliability and accessibility, we bring you the Berlin Innovation Center (ICB).

What makes Berlin's Industrial Park so special?

This special feature enables the site to accommodate nearly all industrial production processes, even those not permitted in other building zones. The industrial park borders the Berlin eastside trade area which is already home to around 2,500 businesses, and the CleanTech Innovation Center as co-working space for startups.

Can I have multiple access to the Innovation Center Berlin?

Yes, multiple access is possible. Please let the community management know. The Innovation Center Berlin team is interdisciplinary. We are happy to support you in making optimal use of the innovation, collaboration and co-working possibilities of the Innovation Center Berlin. Just contact us or send us an e-mail.

What's going on with Berlin's cleantech business park?

The industrial park borders the Berlin eastside trade area which is already home to around 2,500 businesses, and the CleanTech Innovation Center as co-working space for startups. The Senate Department has earmarked a total of EUR 43 million from GRW funds to develop the CleanTech Business Park infrastructure and to prepare plots for construction.
