Where can you pick up a parcel locker for breakfast?

For example, self-pickup parcel lockers for breakfast have appeared in Shenzhen, China, most of which are placed near the road that office workers must pass or near the employment (Xiao et al., 2017). People can order their breakfast on their mobile phones, choose the nearest lockers location, and pick up on their way to work.

However, there is an exemption under 1910.106(e)(2)(i) for incidental storage which allows employers to store up to 25 gallons of Category 1 and 120 gallons of Categories 2, 3, and 4 in containers in any one "fire area" of the facility outside a flammable storage cabinet or storage room. However, it is always a best practice to do so.

I was there in the fall and they do have small lockers for your phone and keys. What they do have is a big enough space for a whole bag or backpack. Edited to add - the locker is only for things they won't allow inside, that they decide, so you can't ask for them to store things for you. So yes, leave everything possible at home.
