

# Can storage increase prices

Do storage prices fluctuate?

Renters of storage units know that prices can fluctuate, but some customers are experiencing unexplained and continual price increases without any additional benefits. BALTIMORE -- Public Storage customers are unhappy with unexplained price increases for their storage units.

Are public storage prices going up?

BALTIMORE -- Public Storage customers are unhappy with unexplained price increases for their storage units. In the last four years, George Wagner's monthly rate has increased four times. "It started off at \$99 and \$14 insurance monthly," said George Wagner. He then started receiving notices via email advising him of price increases.

Will my storage unit monthly rental increase?

I have had the same storage unit for several years. There have been increases, not each year, but reasonable increases. Today I received a notice that beginning 12/1/2021 my storage unit monthly rental will be increased from \$180.00 per month to \$255.00 per month. That is more than a 41% increase.

Is Public Storage a high rate increase?

It is a high increase regardless but the way public storage works for the most part is they put their rates on the lower end of the market and then in 6 months you get a giant increase to make up for the market rate. Most people do not move out after a rate increase so they will always bank on that

How much does it cost to rent a storage unit?

American demand for self-storage rose sharply in 2021 during the covid pandemic. Rent for an average storage unit in the US cost, at its lowest, \$86.51 per month in 2019, according to data by SpareFoot, an online marketplace that aggregates storage units for rent. That figure jumped to \$105.33 in 2021 and went even higher in 2022 to \$110 per month.

Should you give rent increases to Your Self-Storage customers?

If you're hesitant give rent increases to your existing self-storage customers, you could be passing up on considerable revenue and facility value. Whether you're new to this process or need a refresher, the following advice will help you understand when to raise your prices, how to determine the right amount and how to inform your tenants.
