

Emergency energy storage trailer

Mobile Icebox is owned by the Harris family which also owns Dependable Repair Services and has been providing commercial refrigeration repair over 40 years in the Atlanta area. The outgrowth of mobile icebox came from the need to fill that emergency storage need while repairing commercial refrigeration units. We can literally deliver a trailer and repair man 24 hours a day.

Emergency refrigerator trailers are mobile units equipped with refrigeration systems, designed to store perishable goods during an emergency for the time being. These trailers are vital for the restaurant industry, especially during power outages, equipment failures, or unexpected events that disrupt regular refrigeration or require additional ...
