

# European and american energy storage exhibition

The Batter Day Europe conference perfectly complements the presentations in the exhibition area. ees Europe takes place from June 19-21, 2024 as part of The smarter E Europe, Europe's largest alliance of exhibitions for the energy industry, at Messe M&#252;nchen.

**Pre-Con Energy Storage Integration Council Strategy Meeting** During the 2024 conference, several hundred attendees joined a pre-conference strategy meeting hosted by the Energy Storage Integration Council (ESIC). The mission of the ESIC is to advance the deployment and integration of energy storage systems through open, technical collaboration.

**ELBC** is the major lead battery innovation conference of 2024, bringing together global lead battery experts, researchers, companies and suppliers. The conference's technical program showcases the latest updates on technical improvements and electrochemical research on topical areas from energy storage to automotive lead batteries.

ees Europe, the largest and most international exhibition for batteries and energy storage systems in Europe, and InterBattery, South Korea's leading battery show, have extended their cooperation for 2025. This means that the InterBattery Europe Showcase, a large joint Korean booth in Hall C3, is entering its second round.

These are the strongest European markets for electricity storage. Exhibition: May 7-9, 2025, Messe M&#252;nchen; Conference: May 6-7, 2025, ICM ... Chapter 3 explains how ees Europe was able to establish itself so quickly as Europe's leading exhibition for energy storage systems. All news. The Strongest European Markets for Electricity Storage ...

**WHAT IS SOLAR & STORAGE LIVE?** &quot;&gt; We're excited to announce the launch of Solar & Storage Live Barcelona! Due to the increased demand in Europe, we decided it's time to create another forward-thinking, challenging and exciting renewable energy exhibition that celebrates the technologies at the forefront of the transition to a greener, smarter, more decentralised energy ...

part of The smarter E Europe 2024. Europe's largest exhibition for batteries and energy storage systems. The organizers are Freiburg Wirtschaft Touristik und Messe GmbH & Co. KG and Solar Promotion GmbH: Solar Promotion GmbH. P.O. Box 100 170. 75101 Pforzheim. Germany. Phone: +49 7231 58598-0. Fax: +49 7231 58598-28. E-mail: info@thesmartere

ees Europe will take place from June 19-21, 2024 as part of The smarter E Europe, Europe's largest alliance of exhibitions for the energy industry, at Messe M&#252;nchen. Whether electricity, ...
