What are the best electric fireplace ideas for living rooms?

Other electric fireplace ideas for living rooms include designing a feature wall for your electric fireplace. Use a wall-mounted electric fireplace to make an eye-catching focal point in any room. Use accent wall colors, like navy blue, with an electric fireplace for a sleek, modern style that you can easily install on any wall.

How do you store an electric fireplace in a living room?

Add an electric fireplace media cabinet to your living room so you can enjoy relaxing by the flames while watching a movie. These TV stands offer storage for game consoles, movies, remotes, and more. If your electric fireplace is part of an entertainment unit or wall, frame it with built-in shelving on either side for added storage space.

What are the best living room lighting ideas?

With this in mind, the best living room lighting ideas balance bright illumination with a cozy ambient glow. From overhead fixtures and floor lamps to LED installations and tall table lamps, there are tons of ways to breathe light into your space. Let's get started. 1. Oversized Overhanging Floor Lamp

Can lighting come later with your living room decor?

You might think lighting can come later with your living room decor, but in fact, you should be thinking about your lighting scheme early on. Good lighting can really make a living room so it's worth taking some time to plan what lighting you need in your space and where it's going to work in your layout.

Can you put an electric fireplace in a living room?

You can incorporate a beautiful fireplace with realistic flames in a living room by installing false walls with a big screen television above. The electric fireplace here is built-in to a shiplap bump-out wall. It creates a focal point in this small living room. You could install an electric fireplace with a realistic flame and a TV above it.

How to decorate a living room?

A simple metallic table lamp is a great way to add a contemporary edge to your living room lighting, and it helps that they are also really functional and easy to maneuver, should your preferred reading spot ever change. 9. Create a gallery wall (with your living room lighting)

Shiplap (wood planks) can work well with an electric fireplace insert for living rooms, family rooms, basements, etc. You can use shiplap to create a surround for electric fireplace insert ideas. Or consider purchasing an electric fireplace that is already contained in a shiplap surround. Another way to use shiplap is to have in on a chimney ...

interior designs. Your living room is a place for conversations with friends and family. Use it to mix and match colors, create bold combinations, add interesting pieces, textures, and layer rugs to add depth and dimension.

Designing a living room is so much more than finding the perfect, sink-right-in sofa. Though accumulating comfortable seating is certainly important, living room wall decor ideas are paramount to making your space feel more personal, beautiful, and interesting. But if you're wondering how exactly to decorate your walls, you're in luck. Our interior designers have ...

Kitsch fireplace mantel decor. My favorite time of year to decorate my electric fireplace is Christmas because I love hanging my thrifted stockings on the tree, including my cats love Christmas too stocking. I incorporated pink into my Christmas decor this year and used pink gooseberry Pyrex as a stand for some of my vintage blow molds.. Related: Christmas kitchen ...

A living room can serve many different functions, from a formal sitting area to a casual living space. As you start browsing living room decorating ideas for your home, think about the space's desired purpose and focus on a few staple items, such as a comfortable sofa and a coffee table, then choose the rest of the accent furniture and decor accordingly.

Focusing solely on aesthetics: While it's important to choose a cover that matches your living room's decor, don't prioritize aesthetics over safety and functionality. Ensure that the cover provides proper protection and accessibility to the electrical panel, even if it doesn't perfectly align with your style preferences.

Forget the days of buying a living room suite with a matching sofa and accent chairs--this is the way to create a sophisticated, designer-worthy living room. In this living room, the velvet texture of the sofa and stools play off each other and the cohesive color palette guides you throughout the room, but each piece stands alone.

As electric scooters continue to gain popularity as a convenient and eco-friendly mode of transportation, many urban dwellers find themselves faced with the challenge of storing these scooters in their apartments. Unlike bicycles, electric scooters can be bulkier and more cumbersome to store, requiring careful consideration and planning.
