What is WeChat paid advertising?

Paid Advertising: Includes WeChat Banner Advertisements, WeChat Moments Advertisements, and Key Opinion Leader (KOL) Promotion, each offering unique ways to increase brand awareness and engagement.

WeChat CRM & Menu for Official Account: Tools for effective communication with followers/customers, replacing traditional email marketing in China.

Do foreign brands use WeChat?

Therefore, there are many foreign brands that use WeChat as the main portal for their advertising. There are 2 types of accounts on WeChat that are suitable for brands: WeChat service accounts and WeChat subscription accounts. Service accounts appear in the "chat" section like any contact.

How do I advertise on WeChat?

Typically, advertising on WeChat revolves around official accounts that function as business profiles. To open a WeChat official account, you must first set up, apply, and submit specific requirements. Once verified, you'll be granted access to the WeChat Advertising admin platform, which provides ad creation, targeting, and management tools.

What are the different types of WeChat accounts?

Types of WeChat Official Accounts: Two main types are Service Accounts (greater visibility, limited to four posts per month) and Subscription Accounts (allows more than one push notification per day). **Content Strategy:** High-quality, creative content is crucial. The content should be engaging, visually appealing, and use storytelling.

What is a WeChat group?

WeChat groups are the fastest and easiest way to distribute content to WeChat users interested in your type of product or service. Then, if your brand is recommended by one of the users, people will have more faith in the brand and will arouse the interest of other users.

What is a WeChat official account?

WeChat Official Account works as a website or newsletter, where brands publish content regularly, informing their followers about new products, events, special discounts, or publishing interesting content within their point of interest.

As part of a strategic communication plan, taking over the official WeChat account and making it the central destination for all communication activities in China is crucial. Other social media platforms like Zhihu, Weibo, and Bilibili can serve as discovery platforms to generate awareness and funnel users to WeChat for regular reengagement.
