

What is the Energy Storage Summit Asia?

Returning for its third edition in 2025, the Energy Storage Summit Asia remains the region's premier networking event for the energy storage industry. Building upon the success of previous years, our summit offers a unique platform for professionals to connect, collaborate, and drive innovation.

What is the energy storage technology seminar?

The energy storage technology seminar will focus on topics like energy storage industry policies, technologies and integration of... The 25th edition was a very successful one with nearly 1,200 participants, +100 exhibitors and +175 speakers from the battery industry. Thank you again for being part of this great adventure.

How should governments encourage storage deployment in Asia markets?

How Should Governments Incentivize Storage Deployment in Asia Markets? The Asia Pacific added 25GW/51GWh of energy storage capacity in 2023 and is expected to increase this total by 60% in 2024. Southeast Asia alone is expected to hit 6.2GW/15.9GWh by the end of 2030.

What is Fastmarkets Asian battery raw materials Conference 2024?

Fastmarkets Asian Battery Raw Materials Conference 2024 hosted some of the BRM industry's key players? During the two-day conference, over 50 presenters shared the very latest market intelligence on Asian (and global) battery materials and provided deep insights into market trends

What is the global battery Innovation Conference?

China accounts for 50% of the world's production and consumption of lead batteries, making it a key player in the global market. The Global Battery Innovation Conference will unite experts, researchers, companies and suppliers from across the lead battery industry worldwide.

Date: 6 - 7 November 2024 Location: Tunis, Tunisia Description: Renewable Energy Forum Africa (REFA) is the annual investment forum to support and promote investment in renewables on the African continent. The conference will be colocated with SITE - Salon International de la Transition Energetique, attracting more than 100 exhibitors from the Tunisian and global ...
