**Product description.** The Ecoflow PowerStream Micro Inverter + 2 x 400W Mono Solar Panel combines solar panels with an innovative micro inverter, allowing you to feed solar energy back into the grid without the need for professional installation.

My power supply is currently resting on a ledge just under my eaves. The control box which had sticky tape is mounted on the eaves like the lights. Hopefully soon I'll call my electrician to come out in an outlet somewhere. I would prefer up on the eaves so I can do Christmas lights but maybe get one in the attic to keep the power supply in ...
