Vastu provides guidelines which ensure safety of your valuables and assets which you store in your locker. According to Vastu, a locker should be placed in the north direction as it belongs to Lord Kuber, the God of wealth. Even the door of the locker room or the room where the locker has been placed should be north or east facing.

Nearly pissed my self playing the Forest many times. At least for the first 20 hours, then I got used to it and started exploiting the AI, which honestly started making it laughable. I want to claim it's fine for a 12 year old, but make certain he can handle horror first, or you might have to explain to your parents why your brother is freaking ...
